

Be Water Wise; Only Rain Down the Storm Drain!

There are hundreds of storm drains across the Town of Warrenton that all lead to our waterways and we need your help in letting everyone know that “Only Rain Belongs Down the Storm Drain”. This program is open to all ages, not just youth! You can help us mark the storm drains near you. We’ll provide the medallions and adhesive.

This project is a great opportunity to learn about our waterways and the easy steps everyone can take to protect them.

Contact Ron Battaglia, Town of Warrenton MS4 Stormwater Program Coordinator, to get help in choosing the area that you will be marking. Mr. Battaglia can also provide maps to record your medallion placement on. You can reach Mr. Battaglia by calling (540) 347-6574 or by email at [rbattaglia@warrentonva.gov](mailto:rbattaglia@warrentonva.gov).

The round blue discs, or medallions, that you will attach to the tops of storm drains will help remind and educate other citizens about the importance of preventing pollution from entering our sensitive waterways, and above all, that storm drains are NOT to be used for dumping.
