AGENDA PLANNING COMMISSION TOWN OF WARRENTON

**March 21, 2017
7:00 PM**

- 1) Call to order and establishment of a quorum.
- 2) Approval of Minutes: January 17, 2017; January 24, 2017; February 21, 2017
- 3) Regular Meeting
 - a) Public Hearing

Town of Warrenton Capital Improvement Program: 2018-2023. Public consideration of the draft five-year Program of projects for recommendation to the Town Council. The Program lists major expenditures planned within the five-year period and identifies those public investments scheduled for implementation in the next fiscal year as the capital portion of the fiscal year 2018 annual budget. The proposed 2018-2023 Capital Improvement Program, as drafted, contains 82 projects totaling \$48,384,767 with 32 of those projects scheduled for fiscal year 2018 estimated at \$6,831,051 from all fund sources. Projects proposed for the Program include improvements to the water treatment and wastewater treatment plants, sanitary sewer upgrades, various street and storm sewer improvements, WARF facility improvements, police radio system upgrades, vehicle and equipment replacement, and permit tracking software.

- 4) Comments from the Commission
- 5) Comments from the Staff
- 6) Adjourn
