Please read the descriptions of each class to register for the appropriate skill level. Each level is based on a progression of swimming skills and **may need to be repeated until the student is comfortable enough with the skills to progress to the next level.**

PARENTS, GUARDIANS & GUESTS

During swim lessons, guardians may watch their children from the chairs on deck or the bleacher area. Patrons accompanying students in aquatics programs who would like to use the facility must pay general admission fees.

GOGGLES

It is recommended that students not wear goggles while in lower level classes. Goggles can be worn in Levels 3, 4, & 5, once students are working on developing and improving their strokes.

WAIT LISTS

If a class reaches the maximum number of participants, you have the option of going on a wait list or selecting a different class. Individuals on wait lists will be contacted if and when spots become available.

CLASS MAKE-UPS

You may only attend classes for which you are registered. No make-ups are allowed in other classes. If the WARF cancels a class, every effort will be made to provide a make-up class.

RETURNED CHECK FEE

Returned checks will result in a \$25 service fee. This fee will be payable by cash only. The WARF cannot re-deposit returned checks.

WHAT IS A BLOCK?

A block is a period of time when lessons are offered.

CANCELLATION AND REFUND POLICY

If you cancel your class prior to the close of registration, you will receive a credit for another class in another session. If the WARF cancels a class due to low enrollment and we cannot place you in another suitable class, you will receive a credit to another class in another session. If you are not able to participate in another session, please fill out a refund request form to be reviewed by management staff. Please allow 1-2 weeks for a check refund. If you cancel your class prior to the close of registration you will receive a refund minus a \$10.00 cancellation fee. No refunds are available once classes have begun.

CLASS MINIMUM REQUIREMENTS

All classes must meet the minimum number of participants requirement. If your class selection does not meet that requirement, you will be notified by phone or email prior to the scheduled start date. All classes that do not have the minimum number of participants will a) be combined with another similar class to meet the minimum requirements or b) be cancelled. If you have indicated on your registration form a second choice of class, we will move your child to that class and notify you of the change.

DIAPERS

Non-potty trained participants must wear swim diapers under swim suit - no disposable or cloth diapers, please.

RED CROSS SWIM MOBILE APPLICATION
