Renter Responsibilities and Expectations

- Users are responsible for the set-up and clean up of their room and/or space. All Chairs and tables must be returned to their original location. Staff will provide additional trash bags and cleaning supplies.
- All programmable/rental space is expected to be left by the users in a clean and orderly condition; meaning trash and debris is picked up and put into a trash receptacle; tables, chairs and other surfaces are wiped down.
- The renter of a programmable/rental space will be assessed a minimum surcharge of \$30.00 if the space is not left in a clean and orderly condition. Additional fees may be assessed based on time and materials for work required to restore the room/space to its original condition.
- All users are liable for any damages incurred to the facility, its equipment, and grounds during their use.
- If the request includes the use of facility equipment, tables, chairs, TV, video player, etc, this information plus the room set –up details must be included on the facility service/reservation request form.
- No alcoholic beverages are permitted in the facility or its grounds. Smoking is allowed only in designated smoking areas.
- Users are expected to comply with posted facility and pool rules.
- Facility users are responsible for the proper supervision of their activity and/or participants. Minors must be directly supervised at all times.
- Users offering fee-based programs are not covered by the Town of Warrenton liability insurance. Renters who offer fee programs must have their own liability insurance if they are operating high risk programs. A copy of the insurance must be submitted to the Director of Parks & Recreation or designee prior to approval of the facility usage.
- Additional fees may be applicable for events that require additional staff, products and/or services during a scheduled event. These fees should be incorporated into the rental contract when identified, however, they may be assessed if required and unscheduled in the reservation.
- Users hosting a political meeting, event or activity may not solicit other facility users. Flyers or other materials may be handed out to people who approach them and request the material.

Usage and Reservation Policies

- Priorities for the usage of WARF public facilities and land will be given to Warrenton Department of Parks & Recreation Programming and Town activities, and/or co-sponsored with Fauquier County.
- Public facility use, other than athletic fields will handled on a first come, first served basis.
- Athletic fields are scheduled through the Warrenton Fields Association at P.O. Box 1247, Warrenton, VA 20188.
- In-Line Hockey Rink time is scheduled through the Fauquier Roller Hockey League at www.fcrhl.com.
- All other WARF Reservations can be made up to 4 rolling calendar months in advance of a scheduled event, unless the reservation is for an on-going contract rental.
- Facility rentals will be limited to the posted applicable capacity of the room, space or facility.
- Scheduling should include 10 minutes for organizational set up and clean up time at the beginning and end of a scheduled reservation. Therefore, there should be at least thirty (30) minutes between events in a specific room/area to allow 10 minutes for both parties to clean-up or set up their event without overlap.
- For safety reasons, the multi-purpose room shall not be used during a swimming event or party to avoid wet participants on the stairs between the two floor levels.
- Participants using the multi-purpose room found to be going up or down the stairs with wet feet may be asked to forfeit their remaining rental time to avoid potential safety issues for all facility users.
- All after hours use of the facility is subject to the final review of the facility manager or designee. A manager on duty must be present to supervise the event and secure the facility when the event is over, which will be charged as part of the rental fees. Approval of all after hours requests will, therefore, depend upon the availability of appropriate staff.
- In the event of cancellation by the renter, fees will not be refunded. Efforts may be made to reschedule based on current room/space availability. Repetitious cancellation by the renter may result in nullification of the contract. Refunds may be offered if the WARF cancels due to special circumstances such as inclement weather.
