		H2O PowerWalk Kaori 10:15am-11:05am	Aqua Tabata Shirley 10:15am-11:05am		Aqua Yoga Kaori 10:15am- 11:05am	Cardio Splash Beth H. 11:00am-11:50am

Aqua Tabata: Jump in the water and join this fun high energy workout! Tabata format consists of using maximum effort for 20 seconds and recovering for 10 seconds working through multiple circuits that include a series of exercises with different equipment or just using the resistance of the water to build those muscles and work that core. All levels welcome.

Aqua Yoga: In this class you will be guided through gentle movements that combine a variety of creative water postures, mindful transitions, relaxing & floating. All while focusing on your breath. You will leave this class feeling relaxed & grounded, bringing you a sense of energized peace.

Aqua Zumba: A Latin dance inspired workout in the water, sure to get your heart pumping and your hips moving! It's fun and effective, using interval training & combining fast and slow rhythms for an effective water aerobic workout.

Barre: Barre work moves through a series of movements from full range to static holds & utilizes light weights, bands, gliders, & balls to tone the entire body. This class is for all levels of fitness & offers modifications to accommodate individual needs.

Cardio Step: Spice up your cardio workout with this upbeat and rhythmic step class. This adjustable step platform & high-energy class helps increase endurance and body toning. Step it up and down, over, and around, to the sound of your favorite beats. Step up your fitness, your heart rate, and your mood! Our step workout suits people of all fitness levels.

CardioX: The ultimate cardio group fitness experience. This class consist of high intensity interval training (HITT) Tabata and WOD combinations. Targeting the whole body to help improve cardiovascular health. The focus in this class is self-improvement. Beating your previous X while increasing your daily calorie burn. Although this class is challenging, it is great for all ability levels and will get you great results.

Cardio Blast: Get moving in this total body, cardio-based interval class combining body weight exercises with bursts of cardiovascular training to help tone your body and improve your heart strength utilizing various equipment.

Cardio Splash: This energetic aqua class will tone your muscles, increase your cardio endurance, & be kind to your joints! Instructors will use buoys, noodles, and kickboards to keep participants on their toes. The water offers a calming environment, all-over resistance, & no impact. All levels welcome.

Core and More: This action-packed class. It's quick and efficient! Moving through upper and lower abdominals, obliques, cardio, standing core, and back work to tone and strengthen the entire core and more! This class is suitable for all levels with modifications offered to accommodate different needs.

Cycle: Participants will ride a stationary bike for a low impact cardio boost! Instructors will encourage riders to simulate various terrain one might encounter during a bike ride on the road to build muscular strength.

Cycle & Core: Participants will ride a stationary bike for a low impact cardio boost! Instructors will encourage riders to simulate various terrain one might encounter during a bike ride on the road to build muscular strength. Stay for an additional 15 minutes as our instructor will take you through upper and lower abdominals, obliques, and back work to tone and strengthen the entire core.

Fit Yoga: This Hatha Yoga blend brings balance, strength, flexibility, and power to your workout. Fit Yoga is perfect for the yoga enthusiast, the athlete, and/or anyone else looking to improve body movement and mental clarity.

Gentle Yoga: In this slow flowing yoga practice, students with journey through sun salutations, standing balance postures, and pranayama techniques to find balance and energetic alignment. This class is for all levels and offers modifications to accommodate everybody. *Wednesday class is 75 minutes*

H2O Powerwalk: Held in the WARF's "lazy river," There is nothing lazy about this water walking class! Walking and running, with and against the water current, participants will exercise every muscle group, practice core control and balance, and work through full ranges of motion. Enjoy motivating music and a variety of water equipment. Water shoes are recommended for this class.

Mash Up Monday: Join us for a unique blend of cardio, core, & strength training. Each class will be different, but the goals of improving strength, flexibility, & endurance will stay the same!

Plyoqa POWER: Our instructor will lead you through the 3 S's Strength, Sculpt, & Stretching. During this workout you will utilize & strengthen your powerhouse: your deep abdominal muscles, obliques, & lower back. This class is inspired by the movements of Pilates & Yoga with muscle building elements. There are no high impact movements, & everyone can modify, or progress as needed (i.e. choose lighter weights or limit range of motion). Great for all ability levels.

Pound: POUND® is a unique exercise method inspired by the energizing, infectious, & sweat-dripping fun of playing the drums. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND® was designed to transform drumming into an incredibly effective way of working out.

POWER Sculpt: This total body workout you will burn calories, build muscle, tone your entire body, and increase your core strength. Our instructor will coach you through moves & techniques. You will be encouraged & motivated to step out of your comfort zone.

Power Up: This all-level strength and cardio class that will tax all muscle groups and get your heart pumping. You will "power up" and challenge yourself through cardio, strength, balance, and core.

Ride & Roll: This class is a combination of riding a stationary bike for a no impact cardio boost and foam rolling for myofascial release. *75-minute class*

Rise & Shine Yoga: Wakeup & connect to your body, breath, & movement. This Vinyasa style class takes you through sun salutations, standing poses, balance poses, & hip and heart openers. Designed for yogis of all levels to leave feeling energetic & ready to take on the day.

Sculpt: Build & shape your muscle definition in this cross-training strength class. Use free weights, bands, benches, & more, to ignite your muscles! Because there is no ONE way to tone and strengthen, participants will enjoy a variety of formats, workouts, & exercises.

Slow Flow Yoga: An all-levels class which links breath & movement, deepens the connection of mind & body. Slow Flow classes help you find the space between poses while still retaining the gentle rhythm of a flow yoga class.

Strictly Strength: This class is designed to build & maintain muscle, helping to speed up & restore your metabolism. Our instructor will coach & challenge you to go a little heavier, a little slower, & to spend a little more time under tension. All levels are welcome.

TRX Fusion Training: TRX is a suspension type of training that uses your own body weight and gravity to build strength, balance, coordination, flexibility, core, and joint stability. When we add Fusion, you get a Bootcamp style training session. In this training you will be targeting the whole body by combining other modalities such a medicine balls and ladders to increase cardio, strength & overall wellness. **Specialty class-additional fee**

TRX Suspension Training: TRX is a suspension type of training that uses your own body weight and gravity to build strength, balance, coordination, flexibility, core, and joint stability. By using your own body weight and gravity you can adjust to your own personal fitness level by moving yourself closer or further away from the anchor point. **Specialty class-additional fee**

Wind Down Yoga: Join us for this all-level class which centers on unwinding the body and mind from the activities of a busy week. Yogis will enjoy gentle flows and postures, while improving strength, mobility, and balance to release mental and physical tensions.

Yoga: In this class you will be guided through gentle movements that combine a variety of creative and traditional postures, mindful transitions, & opportunities to balance. All while focusing on your breath. You will leave this class feeling both invigorating and grounded, aiming to bring about a sense of energized peace. All levels are welcome.

Zumba: A Latin dance inspired workout sure to get your heart pumping and your hips moving! You'll hear a variety of music genres sure to get your toes tapping. It's fun and effective, using interval training and combining fast and slow rhythms for an effective aerobic workout.
