

Be Water Wise; Only Rain Down the Storm Drain!

There are hundreds of storm drains across the Town of Warrenton that all lead to our waterways and we need your help in letting everyone know that “Only Rain Belongs Down the Storm Drain”. This program is open to all ages, not just youth! You can help us mark the storm drains near you. We’ll provide the medallions and adhesive.

This project is a great opportunity to learn about our waterways and the easy steps everyone can take to protect them.

Contact Dina Hermoso, Town of Warrenton Stormwater Administrator, to get help in choosing the area that you will be marking. Ms. Hermoso can also provide maps to record your medallion placement on. You can reach Ms. Hermoso by calling 540-347-1101 or by email at dhermoso@warrentonva.gov

The round blue discs, or medallions, that you will attach to the tops of storm drains will help remind and educate other citizens about the importance of preventing pollution from entering our sensitive waterways, and above all, that storm drains are NOT to be used for dumping.
